“ I was a classmate to Mark and Max for 12 years....1st through 12th grade. So many memories...riding bikes in Waldron, learning to tell them apart, basketball games, baseball games, so many years. Yet after graduation, we don't see our classmates anymore, and many are gone now. It makes me sad that not many come to the reunions. No opportunity to catch up with people who were important to many of us. If you were a 1968 graduate of Waldron High School, reach out. I want to talk to you. nsbjlaj@tds.net or 4295 S 500E, Waldron, Indiana. 46182.

He was always kind and sweet to me while his brother was not. He was always happy and with a beautiful smile. To Allah we belong and to Allah is our return. Blessings to you Mark.
