“ *I am deeply saddened by Mark's passing. I worked with Mark on the SPBS for several years. My thoughts and prayers go out to his family. You don't know me but I feel like I know Kristina and Mr. and Mrs. Moore. He talked about you guys and his late aunt all the time. Mark was an enigma to me. He didn't want anyone to know his birthday or address or phone number so I felt really special when he shared his email with me. I did discover his birthday and when it rolled around every year I enjoyed whispering "Happy Birthday" in his ear just to see the irritation on his face.*

“ *From the time we could lift an 8-pound bowling ball through high school, Mark always had a great, happy-go-lucky demeanor--even on the golf course which I find remarkable. Best to his family and loved ones.*
