“ *Vic & Family,*
We are so sorry to read about Louise. We were good friends and went all the way through school together. We had good times together. and enjoyed going out to the farm where they lived. She and I both played piano. She looks just like her Mother. I will miss her Christmas letter. May the cards and letters help bring comfort and God's Peace be with you Love Beverly, Ed, and Family

“ *To the Kendall family, my heart-felt sympathy. I appreciated so much working with all the Kendalls; as principal, teacher, friend. Solid, solid wonderful lady that helped mold many of us. She always was wonderful person to work with and to be with. I am sorry I am out of state and won't be able to attend her service. God Bless, Mick Saunders*

“ Mrs. Kendall was my Kindergarten teacher at Arlington I always remember she was one of my very favorite teachers fast forward many years while I was attending Main Street Christian Church I seen her again (I would have had her in 1973) she remembered me - if I remember right I was with my mom so that may have played a part but I was overwhelmed knowing my kindergarten teacher remembered me as I had her it was a wonderful talk it made my day, heck it made my year that year! I loved that lady. I'm so sorry for your loss but I wanted to share that memory that had such a major impact on my life :) may you all be comforted by God's Love during this difficult time

“ I also had Mrs. Kendall as my Kindergarten teacher. I remember her being very strict, which I believe a lot of the kids now a days should also have. I think it does make better people. I also had her as a sub-teacher in 4th grade occasionally for her sister-in-law. Which I swear back then they could passed as sisters. But I think she was a nice lady. I was just too young to see it at the time. I wish there could be more teachers like her.
