“ *Mary was like a second mother to us!!! She definitely kept us in line. She was the sweetest lady that we ever met. And the hardest worker we've ever seen. What she did on her own was nothing short of amazing!!! Such wonderful memories made at the Jackson farm .*

Love and prayers to Scott, Kenny, and family.

“ I remember selling FFA seeds to Mary , setting in her kitchen that as I remember was very neat and tidy . I didn't know that her husband had passed some years before , that she was doing it on her own. I remember her bringing the boys to church on Sundays. She took her role in life seriously . She worked hard and somehow managed to keep it together. Not an easy task then or now . Good job , Mary , your life did not go unnoticed though you lived quietly there in your home on the farm. I'm sure the doors were opened for you the day of your new beginning . Blessings to you and your family . Brett
