“ *Wow, this breaks my heart. We were pretty good friends in school, then life happens, and we all went out own ways. But we sure did make up for lost time when we ran into each other. God bless!*

“ As a little kid, she was the best Aunt a kid could ask for! I remember her and Dad telling me he had to sneak her into the hospital, under a coat in the middle of July so she could see me when I was born. (She was 10 at the time)
Love you always, Posey

“ Mary & I worked together for a long time both at Williams Industries & PMC, she was so funny at times and yet serious when it came to getting the job done. I'm sorry for the loss of your Mother girls and the loss of your Sister Laura & Grace. It's never easy losing a loved one at any time but when we lose them unexpectedly the pain seems to hit so hard. I will miss Mary but now she's home with our Lord & Savior Jesus Christ & her Mama. RIP Mary & God Bless.
