“ *Maurice W. Kuhn, Jr. was the salt of the earth. Together with his loving wife, Pam, they stood by our family every step of the journey when our sister (Betty [Busald] Green) battled cancer until she was called home in August 2009. Junior set the bar higher for us all. He will be truly missed. Our hearts and deepest sympathy go out to Pam and the family at this time.*

“ *The world just lost a great man, one of the nicest people I know. When our son was in the military and deployed to Afghanistan, JR was always the first person to ask about him and always had a tear in his eyes when he talked about his days over seas. I will always remember how thoughtful he was. He will be missed. Love you Pam & family and will be praying! Rick& Cindy Ogden*
