“ *Living in Walker Twp. in the 1950s one got to know and share your lives with your neighbors...my parent, Bob and Hilda and my brother Maloclm and myself knew Max and Marlene and Denise and Butch. I think back on so many wonderful times of Manilla school events, of many happy warm sunny happy summer days, of spending time together and sharing both stories and jokes, and other kindness and love. I have found we have chapters in our lives and a special one closes whe both parents have died....but with it remains and the joy to continue is makin' memories each moment of each day...and passing those on to future generations....Max is loved and missed...❤️🦋*

“ *I am Donald Neil Jackley (Miller). I met Max at the OMH reunion several years ago. We met again at the dedication of DAR plaques in August of 2020.
Our third Great Grandfathers were brothers. They were known as the ":wild Miller boys".
I am so glad that we were able to meet and have nice visits.
The Millers are a historic family. Unfortunately, none of my family knew anything about the Millers until my wife Sharon discovered the rich family history.
Rest In Peace Max*

“ Great old timer to work for when myself and others were teenagers. He always had a smile and great stories. He had the funniest way of sorting cattle out of the herd. He would yell "that's a fat!". I catch myself saying it on occasion. The first time I ever took on a grain bin rat, was at his place. I remember telling him it was the size of a opossum. Wonderful memories and skills learned, working for him and his son Butch. Definitely one of the good ones.

“ I always enjoyed my visits with both Max and Marleen. Max provided so much insight and memories of my father from back in the day.
I enjoyed sharing fresh baked sweet rolls for Max to enjoy.
I will sooooo miss our visits and conversations.
Much love Deborah
