“ Keith and Linda, It is with heartfelt compassion and sadness that we grieve the loss of Melissa. We have such vivid and joyous memories of our wonderful daughters (Melissa & Lauren), and the New Salem/Milroy girls as they progressed from Elementary to BRMS and RCHS (Class of 2001). From Barbies and recess, 4-H and school activities, to fierce competitors for RCHS Lady Lions Softball (Melissa/Pitcher, and Lauren/Catcher). We can still visualize Melissa "winding up" on the pitcher's mound, hurling that softball with great force towards home plate. A former, rival high school softball coach has said that Melissa was one of, if not the greatest pitcher to have played Lady Lion Softball since its inception. These wonderful memories of love, laughter, and friendship are truly a treasure that we will carry with us always. May you take comfort knowing that she is now at peace and in tranquility in the loving embrace of her family that has passed previously.

With deepest sympathy,
Margaret and Rich McQuinley

*I am heartbroken to hear about your loss. I cannot imagine going through the loss of my daughter at such a young age. She was such great soul and always worked so hard as a Lady Lion softball player. I know how proud you were of her. I am just shocked and saddened by this. May God give you and your sweet family strength and comfort. It was my priviledge to work with her and to get to know her. I remember when she helped us win our first sectional, at home. She smiled from ear to ear when we took that fire engine ride around town and past the little girls diamond where it all started for those ladies. They stopped the games and Everyone cheered for them. One of my most favorite moments as a Lady Lion softball coach. What a great group of young ladies that left their legacy. The other story that comes to mind was when she took a line drive to the face on the pitcher's mound and had to go to prom with one heck of a black eye. Such a trouper she was. I am just so sorry for your loss. My heart is broken. My deepest condolences.

From her baby shower with Avery to many lunches we had. Still saw her and talked to her from time to time. I loved her and my heart hurts for Avery, Austin and all of you. God bless you all. Keith and Linda,

Walt and I send our thoughts and hugs at this very difficult time for you and your family. We remember Melissa as a little girl, riding her tricycle around the porch at Uncle Lester and Aunt Alice's house. Shying away from Caryn just a little. So very sorry.
