You were the best uncle a girl could ask for, you never made me feel judged or less than enough. I will miss our early morning phone calls and the way you always made me laugh. I love you dearly, rest easy Uncle Mike and I will see you soon.

“ Mike & I go back to aprox 1978. We hung out allot back in the day. He even lived at my house for a few months. I helped him some when he took over A.ville Restaurant from Harold Fields. We are the same age, & got along great. Even when he worked for Paveys Store. We didn't see or hang out together much once he started in drywall. But we was really close friends till then. And stayed friends. I can't believe he is gone. R.I.P. My Friend.

Always appreciated what Mike did for us when my mom was alive. Always told Kenny here I experimented with a dessert or a dish of some kind today, give this to your mother- in-law just so that he made sure she would eat something. Was greatly appreciated & she loved it. Oh boy she would say
