“ *I was about a month behind Mike in Marine Corps boot camp in 1980. We spotted each other in the chow hall one morning and set together to eat (more like shovel down) breakfast. We tried to hide our conversation as talking was strictly forbidden, but both his and my ever watchful drill instructors caught us and our breakfast was cut short with some expletive-laden orders to get out now! Semper Fidelis Mike, may you Rest In Peace.*
