“ *Brenda and family,*

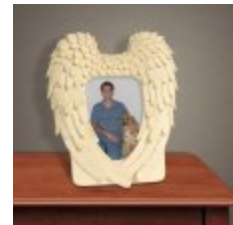

I'm so sorry for your loss. I remember Mike as one of our classmates of 1964, who was a quiet guy with a smile. I've really enjoyed all the pictures you have posted. Thank you for giving us some of your memories. Praying for you, Brenda.

“ To all of our friends and family,
I am so touched by the outpouring of concern...I really don't know what I would have done without your support. And it warms my heart because there's not a doubt in my mind that Mike was loved by so many people. And I thank you for loving him. Mike was my life, my rock, my soulmate. I loved him more than anything in the world. I know I have to go on with my life, but that will be the hardest thing I'll ever do. I posted several photos on this site. The captions didn't upload and I think I put them on the wrong page, but I tried. At least everyone can share some of my favorite memories of Mike.

Jerry, you are so thoughtful and you have been a great friend for years. But you and I share something more because you've been through the same thing I'm now feeling, and I know I can count on you to help me through it at times. Thanks for being there. Love ya!
