“ Rest in peace my dear friend. Your suffering is over. There is a permanent place in my heart for you. Memories of great fun, laughter and the hunt for spirits. You will always be with us Mike, you will always be loved. Fly high Mike and enjoy eternal life. Some day, we will all be together again. Ethan and I will miss you always.

“ My childhood memories are filled with time spent watching scary movies, eating BLTs, playing board games and cards, and lots and lots of laughs with Mike. I hate that we grew apart in adulthood, but I know that he was a wonderfully kind and caring person. He loved well and enjoyed life. Cancer sucks, and I will miss his Facebook posts of Gypsy. Fly high and rest well Mike!
