“ *Jenna, So sorry to hear of the passing of your brother. Your family is in my thoughts and prayers. May God comfort you in this difficult time. Debbie (Davis) Bradley*

“ *I was surprised Mike didn't have a dossier sized obituary already written given his sometimes long-winded reflections of his past, but this too brief obituary was his wish, and so it is. Hugs to his father and Barb who stepped to the plate many times over the past years to provide him comfort and love.*

I am very sorry to hear of Mike's passing. He was a smile maker, with a good story to be told. I truly wish I could have had more contact with him over the years, especially to hear his life story of what he had been doing since we left Purdue. Vaya con Dios.

“ Jenna, I am very sorry to hear of Mike's passing. I am even more sorry that he and I did not keep in touch throughout the years. Mike was a high school classmate, college room mate and groomsman in my wedding. I hope he can rest peacefully now.
