“ *I am so sorry to hear that Mike has passed away. I worked with Mike for many years and he was not only a great co-worker, but a better friend. During my time at Shares working with Mike he never took a sick day and he had to be told to use his vacation time, as he took so much pride in his work. I also had to opportunity to know and work with Andy and Jeremy, two of Mike's sons. Unfortunately I will not be able to pay my respects in person, due to traveling out of state.*
