“ I remember so well growing up watching Mildred playing the piano and my mom, Evelyn Floyd, playing the organ. Sometimes she and Clem would sign specials together. Such good memories. She is now in heaven singing and playing the piano. I know that God will be with each of you and help you thru your loss. Remember that memories are wonderful things and help us to always keep our loved ones close to our hearts.

Dear Becky,

I, to have many memories, of having chips and cokes with all the youth of Little Flat Rock. Living right next door, it was so convenient for me to attend all the gatherings at your house. My prayers goes out to you and your family with this double loss.
