“ My Millie where do I start ... we were buddies from day one when you came to the waters of batesville ! When I left the floor and went to office job , I would stop in and see u daily . You told me you missed me. You have no idea how much I missed you ! Then we got to go to the creation museum on Tuesday . I had so much fun that day . How we were going to steal a camel and bring it back to the waters . We were going to ride a camel but it was to cold that day . I loved how you was up for anything ! You have a big piece of my heart ! I miss you so much already ! I bought you a camel today ! A stuffed one of course. You can take it to heaven with you and when we meet again we can smile and laugh about our last day together ! I love you Millie ! You came in as a stranger and left as my family ! Love always Debbi
