“ *I consider myself lucky to have known Ned and to have grown up just down the road from him and his family. Lots of memories of Ned, all good! Chomping on a cigar with that mischievous look on his face (I snuck a few out of his truck as a kid), corralling up hogs to harvest Rocky Mountain oysters, paying me \$1 for each groundhog I got out of his soybean field, pulled my truck out when I got stuck in a muddy field when I was checking my traps, and painting his barn. Ned was one of the good guys :)*
