“ *Nina Jean was a beautiful person. She was a wonderful wife, mother, grandmother and friend to many. She always had a smile on her face and her love for her family was evident whenever you were around her. She had the ability to make you feel at home when ever you were in her home. She was devoted to Vern and supported him in whatever he did. I was the recipient of several great meals at her table and can say I will never forget the pheasant that she cooked, it was simply the best ever. A wonderful person that will be missed but remembered by all that knew her. My thoughts and prayers are with the family.*
