“ What a lovely lady - such a wonderful couple . My mom worked with Nora at the furniture factory for 40 years and I worked with her for 10 !! She always remembered me no matter where we would come across each other. When Mikes mom went to assisted living she was there as lovely as ever ! They were customers at the bodyshop ! All this said they will be missed ! Our thoughts & prayers are with you all .

“ To Chris and all of your family. We are so sorry for your loss. I worked with your Dad at the Indiana Gas Company at the same time. What a great person he was. Always had a laugh and when we needed anything he was right there to take care of it. Your Mother was a great lady, we had many talks when she worked at Wal-Mart. What a great Mother and Dad you all had. Joe & I thought they were some of the best.

Just want you all to know that our thoughts and prayers are for all of you at this sad time.

“ Nora was such a joy to be around. I am glad I was a part of her life because she brought joy to mine. You will be greatly missed. Prayers and condolences to the family. I know it's a tough time right now because I went through this myself less than a year ago. But god will have his hands over you to give you comfort. With love Rita Davis.

“ As a child, Barbara and I were good friends and I spent a great deal of time going back and forth from my home to hers, and Nora always treated me as one of her own. Years later when I returned to Rush County I enjoyed going to see her at Wal-Mart and talking over old times. A dear lady and a dear family. My heartfelt prayers are with you all. “ I thought so much of Nora. I was at the nursing home a few months back prior to Covid shutting things down, and Nora was doing her laundry. We went together to the laundry room and folded all her laundry and took it back to her room. We laughed and talked about old times and funny stories. I thought the world of your parents Barbara. They were the best. God bless you and your family
