“ *I just found out your mother passed away. I am so sorry to hear of your loss. I worked with Lou at Allison Transmission. She treated me like a daughter while I worked with her. I am sure she is dancing with the angels.*

*My condolences.

*I too worked at Allison Transmission in the 1980s. I worked in the same office as Lou. We were a real close bunch. I remember Tara as well. Lou was fun loving and cared about the well being of us all. Over the years I have often thought of you Mom.*
