“ I can't begin to cram an entire lifetime of memories into such a small space. I will always remember Pam in ways that cannot be verbally expressed. From her nickname that she had for me to the impish gleam in her eyes when she smiled, she made me smile without fail whenever she was around. Although, like so many others, I'm not sure that I ever told her that I loved her. I did though and still do. Lonnie and David, my heart goes out to you both in your time of grief. Deepest condolences, Wayne

“ I will always cherish the times I've had with Pam. I'm confident she's with all of our family now that has gone before us and she's no longer in pain. For those of us still here let's not let distance separate us and do all we can to keep the precious memories we have of Pam and other family members alive! Pam would tell us all to keep on keeping on and take care of each other.
