“ I love you Patty for the greatest mother-in-law I could ever have. Gene and Pat has always been there when we needed them. We appreciate everything you have done for our whole family, if it was not for both of you we would not have had a roof over our head in the 80's and the nice gifts we got for the holidays for many years. We are proud of our parents and grandparents that gave us life and happiness in our lives.
