“ Oh Patty! I will miss our hang outs and errand running. I know you're in a better place. I also know you will be having a lot of laughs while watching us down here. You will be truly missed. My kids and I will miss you very much. It's going to be hard not hearing your voice, trading memes and videos, and your hugs. You were a ton of joy and fun! Until we meet again, I love you! You will always have a special place in our hearts and minds! You were truly one of a kind!
