“ *What an awesome and kind individual from an awesome and oh so kind and loving and giving family. In what is unarguably the most amazing neighborhood any child could have ever grown up in. Amazing Days. But more importantly, Amazing Grace to Penny and all her family. My family always considered the Copple's one of our closest allies and astounding neighbors. And I still do. May God bless you all with peace and comfort as you face this tough day. Prayers going out to you all.*

Peace Be With You,
