“ *I have known Pete for over 10 years through our Computer Repair Shop. I am honored to have called him My Friend. I always remembered Pete's humor, when the time came for the amputation of his leg, he made a joke of it at least to all of us even though it had to bother him. He always looked at the best in his life, He loved his Church, he Loved his God and lived every day to Worship our Lord and Savior.*

*Love You Brother Pete  
May You enjoy the Great Ministry in Heaven*
