

Phillip Earl Mitchell

February 1, 1937 - June 10, 2024

Phillip Earl Mitchell, a beloved member of the Milroy, Indiana community, passed away peacefully on June 10, 2024 at Timber Creek Village. He was 87 years old.

Born on February 1, 1937, in Battle Ground, Indiana, Phil was the son of M. Paul and Gertrude A. Mitchell and the youngest of nine children. From a young age, he exhibited a passion for learning and a deep curiosity about the world around him. This thirst for knowledge led him to pursue a career in agricultural education at his beloved Purdue University, and then he went on to teach in Milroy where he made significant contributions and earned the respect and admiration of his community.

Phil was a dedicated family man who cherished his role as a loving husband, father, and grandfather. He married Nancy J. Hedrick in 1961 and cherished his 62 years with her, and together they built a life filled with love, laughter, and precious memories. Their home was always open to friends and family, and Phil's warm and welcoming nature made everyone feel at ease in his presence. In addition to his commitment to his family, Phil was deeply committed to his community. He served the Milroy community as school principal for 40 years, retiring in 1999, and then went on to serve as a local pastor for Glenwood and New Salem United Methodist churches. He was actively involved in various local organizations and volunteered his time and expertise to make a positive impact. Whether it was coaching baseball, serving time as the UMYF leader, leading the local scouting program,

volunteering as a 4-H leader for 60 years, driving the bus for various school activities and sporting events, organizing community events, or lending a helping hand to those in need, Phil's selflessness and generosity knew no bounds. Phil received numerous awards and recognition for his distinguished service. Some of these include the Indiana Jefferson Award, the Silver Beaver Award, the Indiana I-Star Award, the Rush County Chamber of Commerce Citizen of the Year Award, and numerous others.

Outside of his professional and community endeavors, Phil had a wide range of interests. He loved to play cards with friends, enjoyed getting a competitive game of Scrabble going with his family, researched and documented family history, gathered with his friends on Saturday mornings, organized and volunteered at the local food pantry that he helped start, and devoted much energy and time to the local community foundation. He also had a passion for gardening and spent countless hours tending to his large vegetable garden. Phil loved the outdoors and enjoyed traveling with Nancy to over 30 countries, creating cherished memories that will be treasured forever.

Phil will be remembered for his kind heart, gentle spirit, generosity, and unwavering integrity. He touched the lives of all who knew him and leaves behind a legacy of love, compassion, and dedication.

Preceding Phil in death were his parents, siblings and in-laws Marjorie (Don) Heman, Jeanne (Roy) Werner, Frances (Harold) Clifton, Carol (Don) Crookston, David (Shirley and Mary) Mitchell, Floyd Mitchell, Jack Weekley, and Jesse Mae Mitchell, and daughter-in-law Trish. He is survived by his devoted wife, Nancy, his children Mike (Tamara) of Knoxville, Tennessee, Mark of Dallas, Texas, Julie (Dean Leisure) of Arlington, Indiana, Jeff (JJ) of Fishers, Indiana and his grandchildren—Makayla, Brett, Mallory, Isabella, Brooke, and Shea (Andrew). He is also survived by his sister Ruth, his sister-in-law Oveta, and a wide circle of extended family members and friends who will miss him dearly.

A memorial service to celebrate his life will be held on Saturday, June 15 at Milroy United Methodist Church at 10:00 a.m. Pastor Mike Hedrick will

preside. Calling will take place at the church from 3:00-8:00 p.m on Friday. In lieu of flowers, the family kindly requests that donations be made to Rush County Community Foundation, Rush County Community Assistance, or the Milroy United Methodist Church in Phil's memory. Although Phil's physical presence will be deeply missed, his spirit will live on in the hearts of all those who had the privilege of knowing him.

Moster Mortuary, Rushville, entrusted with arrangements.

“ *What an incredible man!!! He was always a blessing to Peggy and me. We cherish the memories of Phil and Nancy and all their family. Phil was the ultimate servant: of our Savior, Jesus Christ, his family, his church, the school children and families...the list goes on and on. His name should be in the dictionary under “servant leader”! To Nancy and all his family, we are praying for you in this loss. We look forward to reunion with him in the presence of our Lord in Heaven!!*

“ I can't say enough about Mr. Phil Mitchell. He was not only the principal at Milroy School where our children were blessed to have had him the entire years they attended school but a very dear friend throughout the years. One of my memories is he would love my sun tea in the summer months. Whenever we would run in to one another, he would say, I will trade you your sun tea for my garden tomatoes. This is just one memory of many. He definitely was a legend and will be remembered forever by so many. Hugs and prayers to family 🙏🥹

“ Phil Mitchell has always committed himself to seeing and finding the best in everyone. I personally owe everything that I have been given a chance to become in life to him. Phil Mitchell when I came to Milroy School in 1986 truly stepped up and accepted a challenge that not many people would have had the heart to take on for himself. The challenge of helping a young boy that was well on his way to prison or worse. Had it not been for the love, patience, kindness and commitment to find the good in all people, I wouldn't still be in Milroy today. Married to the love of my life, college educated, two beautiful daughters and a love for my community that many believed was not possible for me. Everything that I have been blessed to have today all simply because of Phil Mitchell believing it was never too late for me and the sacrifices his family made to allow him to commit his time to giving me a chance in life. Also to loving and teaching me what is possible when you put your heart and soul into it. Always keeping focused in believing you are worthy of anything you want to have in this life. I know that hours spent believing that I could be who I am today was also hours his family committed and sacrificed not having with him home at times with them and allowing Phil to be a positive influence on my life and my families life throughout everything good and bad the past several years I have needed him and his love for god. Phil will truly always be loved, missed and never forgotten in our hearts and memories.

“ *Mike and extended family, Prayers are with yo during this time. A life well lived to the fullest.
Mathew 25:21
The verse "Well done, good and faithful servant" is spoken by the master to a servant who has been faithful with his talents. The parable's point is that God expects people to use the talents he has given them faithfully and in godly ways.
