“ *For my sister, nieces, nephews and all the extended family and friends. How do you share a memory of some one who you have known for so many years in just a few lines...you don't there is not enough room on one page to do this.because life is a journey that has to be traveled by each person...I shared his wife's life all my life and Ralph's life through most of his...we have shared laughter and tears, birth of children and grandchildren and death of loved ones...Ups and downs, you know all those things that make life go on just as you all are doing now yourselves. but you know one thing I have always known "no one does it alone" We need each other.We have learned from each other...learned to love, to respect and admire each other for who we are and the talents we were given..All part of God,s plan and purpose for family.That is what I miss most by not being able to be with you all today...Is to see the fruit of Ralph's life in the devotion and love of his family and friends....I am so blessed by being a part of you all and I want you to know it is my loss not to be sharing this day with you in person but know spiritually I am there...and I am remembering all the years and proud to be a part of them...and for you my "brother" you are out of sight only. you are forever in my heart. love you and love you all.*
