“ *Dave and Carol,*

Your father was a class act of all class acts. I have fond memories of visiting his office to discuss my abentee card. I'm sorry for your loss. My thoughts are with you today, sorry I couldn't make it to the visitation.

“ *Ray was always an example of what a good man should be. I grew up attending the New Prospect Baptist Church of which Ray also attended. My first memory of a portable tape recorder was in circa 1960-61 when Ray brought one to the house and Mom, my sisters and myself spent a hilarious evening listening to ourselves talk for the first time on tape. Salute to Saluda alumnus and a fellow Air Force veteran. May the Lord comfort your souls in this time of loss. (Mr.) Stacey Horine*
