“ *Renea and I were young people in Sturgis in the day. She always had a ready smile and a quick wit. It is my hope that the family will find themselves turning to the comfort that is to be found with the promises in God's Word during this time of mourning.*

“ Marilyn and I were shocked and saddened to learn of Renea's untimely and far-too-soon passing. All the wallpaper in our house was installed by Renea; she also did some electrical and mechanical work for us. She not only did splendid work, she was a genuine pleasure to be around. Rest in peace, pretty lady, you will be sorely missed.
