“ Linda & family. So sorry to hear of Richard's passing. What fond memories of all of you so many years ago. I know there is nothing that I can say that will help at this time, but I wanted you to know that I am thinking about you. My deepest condolences to you and your entire family.

I am so sad to hear of Richard's passing, he was a good man. Whenever I think of him I always see him smiling, just laughing away... at what was probably a story or joke he told. God bless you all, Lori (Glenn) McCord
