“ 🙏❤️🙏 Cindy, remembering your Dad very well from being "across the street neighbors" for about 4 decades! I remember your Dad well from his multiple decades with RCS as a custodian & the fact we were both USMC veterans! 🇺🇸

Please pass along the "Raikes" (Brenda, Jerry & me) condolences to your Mom, Goldie.

I served with Richard in 1953 in the Marine Corps. My name is Bill Hood who lived in Rushville at the time he and I joined the Marines. The last time I saw him was when we were going through basic training at the Marine base in San Diego California. I've always wondered what ever happened to him. God Bless him and his family.
