“ *I remember Rick well from when we were kids and he lived next door. We use to get together on those boring afternoons and shoot baskets on the old goal on the walnut tree.*

Good memories I'm sorry to hear of his troubles and passing ,I know he will be missed. my prayers go out to his Mom and family.

“ Bro: Rick;
We have been brothers in Christ and friends for many years. I will really miss U very much. You for most part always had a pretty song for church service. One in preference was (Long Black Train).
You will be missed by all.

Prayers for the family, I hope that you can find some comfort knowing that Rick is out of pain and in Heaven. May God wrap his loving arms around the family and give you all strength through out your futures. My dad, Howard Edwards, always thought a lot of Rick.
