“ To Lil, Cathy, Leann, Ann and Adam and rest of the family. I've known the Kehl family and grew up with them. I am so sorry to hear of Bob's passing. I haven't been able to get the family out of my mind since I heard of Bob's accident. I pray the family has the strength it needs to go forward and just remember all the good times your family has had. That's what I've been doing. It still so hard for me to wrap this all around my head but everyone knows that he is with God and is in a very good place. I've just imagined my Mom and Dad meeting him when he got there and how suprised they would be. I just hope that it gives you some comfort just knowing how much everyone cared and loved Bob for the good person he was. You have our deepest sympathy. “ To all of the Kehl family, we are so so sorry for your loss. I didn't know Bob, personally, but I know several of his extended family members, and know that he must have been just as great as everyone of you. Leann, and I even go back as far as high school. I'm so glad that Bob was part of CJCC family and that each of us can rest assured that we will all be together again, in a glorious place. May God grant peace and comfort to my friends Adam, Kristen and Kathy, and all of your extended family. Love and sorrow
