“ I worked with Bob at Walmart. He was such a kind, wonderful man. When I was out of work sick he mailed me a get well soon card and I still have that card today. I miss him so very much.

“ His kindness was so unassuming when I was a young grade school kid. He instructed my first shot. His father Joe, taught me how to play catch. He remains among the best of my Rush County memories. I hope he is resting well now.
