“ I loved summertime when we would visit Indiana. Bobby Gene's was one of my favorite places to visit. It meant hours of baseball in his front yard with cousins galore, walking the hill to pick blackberries, getting to ride a horse every once in a while. (I remember one summer a horse spooked and took off while Doug was riding. Shane and Bobby Gene took off after it to rescue Doug.) It meant amazing home cooked breakfast complete with the best biscuits ever and blackberry jelly. (Thank you Joyce) and hours of playing in the creek with a warning to watch for snakes. Our family members must leave us for a season, but we will always have memories that no one can take from us. Until the ultimate family reunion occurs....R.I.P. Bobby Gene

“Joyce, Shane & Doug, words cannot express what you are going thru at this time. My thoughts and prayers are with you. I have thought a lot lately about how I used to visit your home and try to get Bobby to come to church. I finally told him if he came I would take him out to dinner. A few weeks later he showed up at church and we took him and Joyce to Hearthstone. I think he came back that night and got saved. Best investment i ever made. He was a wonderful person and made a great preacher of God's word. He is rejoicing now with the only one he loved more then his family and he is saying come home it is wonderful. No more pain, no more tears. He has run his race and won, we are still in the race. Love and prayers to all of you, Shirley (Baldwin) Isaacs
