“ *Good evening . My name Roy Mohr . I felt very fortunate to have known Bob , I had worked with him on some electrical projects. My acquaintances with Nick showed the Morgan family standards. I always felt that Bob knowing my name was his signature of being a true Christian man. I am very sorry I could not make his services.

“ I had business dealing with Bob for many years. When the pho and rang, and I heard “Dan- Bob Morgan”, I would smile. Bob was one of the finest people I have had the honor of working with over the years. He was a kind, honest, fair and caring individual. We need more people like Bob in this world. My condolences to the family- he was a fine man.
