“ I met the John and Rosie Cain family, Roger, Mark, Jerry, and Debbie in 1980 when we rented one of their farmhouses down the road from their house. We went to Rushville basketball games, and to Roger's graduation. What a super nice family! My condolences to all and may God give you the strength to continue your lives. Bless you.

“ I only had the pleasure of interacting with Roger at Dr. Taff's office, where I work. I still remember the first time he came in and how sincerely nice he was. After he left that day, I remember thinking that he was one of the nicest people I had ever met. From that day on, any time I saw his name on the schedule it made me happy because I always enjoyed talking to him. He would always ask me about my family and enjoy any silly story I had about them and his face always lit up when he told me about his. Though I only interacted with him a few hours over the course of a few appointments, I'll miss seeing his smiling face come in and miss the pleasant conversation of such a sincerely nice man. My thoughts and prayers are with his wife and his girls. Just in the few interactions I had with him, I could see how much he loved you all. I hope that gives you comfort in the tough days ahead. God bless you all.
