“ *Our thoughts and prayers are with Ron's family. He will be remembered here at Rushville Commons Apartments as a very kind and generous person. He brought produce from his garden every year to the folks here at the apartment complex and it was enjoyed by all. He will be greatly missed most of all for his smile.*

“ *Ronnie always played with me when we visited at the farm while we were growing up. He picked me for team sports although I was much younger and not good. He seemed to care more for people than winning at least in the front yard of the old farm house.* ”
