“ So many memories of Grandma and Grandpa Kilgore's house for the holidays. I remember all of us kids, sitting on steps or where ever we could find to sit to eat. We were surrounded by the most wonderful aunts , uncles and cousins!! I feel sure that this is exactly how it will be when we all go home. I always felt so loved and so happy to be surrounded by family. I remember we would have to let grandma measure us, because before there were more grandkids than she could count, she used newspapers to make patterns for pajamas for Christmas. Funny, now, thinking about it , we never exchanged any gifts, just being together was the greatest gift of all. I remember playing at Bobby's, Ronnie's and Barbara Ellen's house, waiting for Johnny to bring home cinnamon rolls or something sweet. We played outside and would see him drive up and in the house we would all go!!
Ronnie was always a softy and I loved being at their house. All of our aunts & uncles always made us feel at home and loved. To me, this time spent together must be exactly like it will be in Heaven, no pain, worries just loving family and God. I celebrate Ronnie's life and he will never be forgotten, but always in my heart forever. Till we meet again Ron, I love you!!

Bob, I sure didn't know about Ronnie. So many memories of him throughout the years growing up in Rushville and running around. My thoughts are with you, your Mom & his family during this time of remembrance.
