“ *May all of those good memories sustain you in the days ahead. Rosemary created many special times for us as kids that will always be a part of my life.*

“ *I was saddened to hear about Rosemary. I never saw her without a smile. I still remember the first time I was at her home. I must have been all of 12 years old. Her laughter rang through the house full of teenagers. I was fortunate enough to continue to know Rosemary through my adult years. Gaila, I am so sorry you are going through this, I understand. Brighter days are ahead. Your Mother's spirit will always be with you.*
