“ Danny, Judy and family. My thoughts and prayers will be with you today as you say your final goodbyes to your father. May he rest in peace and may you know the peace of God that only He can bring. I will also be thinking of you in the days to come as you come to terms with his absence. Take care and enjoy the good memories. Gelenda

“ 1977 was a very hard winter, more like a series of blizzards. Roy was undeterred. Even though he worked an hour away in Shelbyville, he would park his car over at Vince's gas station, walk the quarter mile home and go do the same thing in reverse the next morning for weeks on end. He would even go to work when others who lived much closer would call in. Roy also taught me to not volunteer for anything in the Army. If ONLY I would have listened!
