“ 19 years old, new to the family and I realized very quickly how blessed I was. This lady became my Mother figure. She taught me, advised me, guided me through things that I didn't know I needed help with. She stood by me for 50+ years and we enjoyed our memories and family stories till the end. I will sorely miss our phone calls. She never gave up on me and never was judgmental. A best friend and a great teacher. I love you Mom and I already miss you. Peace is now yours...enjoy being Home!!
