“ *The Thanksgiving after my twins were born, the family had dinner at my Aunt Dell and Uncle Erich's home in North Vernon. As a new mom (The twins were 7 months old.) I was so worried about every morsel that went into their mouth, so imagine my surprise when I looked over and saw Sandy feeding my son pumpkin pie! I was sure that he would throw up, my son was eating the best thing he had ever had, and Sandy was having a good laugh at the whole thing! To this day, Ryker LOVES pumpkin pie!*

Sandy, I feel as if I was just really getting to know you - smart, funny, quick-witted, and kind...I will miss you very much. I am imagining your daddy giving you all kinds of h--- up in Heaven - and you giving it right back. Heaven is now a little more interesting, and Earth a little less bright.
