“ I share the feelings of Mr. Levi. I owe my career in education to Jinks' encouragement and I owe my marriage to her "interference" in my wife's and my lives. She was a treasure and an inspiration. We loved her. Jim Smith, Milroy Class of 1962

“ "Jinks" was the most supportive and inspirational teacher I encountered. Had it not been for her guidance and encouragement, I would not be a teacher of Spanish and French with 35 years of experience. I am sure there are many others on whose lives she had a similar impact. I feel truly fortunate to have been one of her many students and her friend. Rockies Levi
