“ Steve was the BEST step dad EVER. So grateful for the love that he showed my family all the time! He was a shining example of how you live in a community and help the people in the community around you! He was also an awesome father to Stephanie and Jared, my step brother and sister, and it shows through them and their children whom he also loved with all of his heart! There was no wondering you knew it! The love he showed my mother. I will be most grateful for he made her laugh again and he was her true soulmate! He will also forever be remembered is Superman !
We love you more and most, and that love goes all the way to heaven!
