“ I didn't know Steve but got to work with his sweet wife Kathy for awhile. Sharing this story because I feel it sums up Steve's personality; before even meeting Kathy and not knowing Steve at all my son, who was in kindergarten at the time, was asked to list his best friends. My husband and I were much surprised to see he listed his 2 best buddies from school AND a 3rd name....Kroger Steve! The next week while shopping I noticed the baggers name tag..."Steve" I shared this story with him and he smiled a big smile and told me to tell my son hello from him. Such a positive person that even the youngest members of this community noticed. So sorry for your loss Kathy! You are all in my prayers!
