“ I won't be able to make it To the service I will be out of town I'm so sorry brother, won't be the same out hauling fuel and not seeing you out and about, I appreciate you trusting me in your diesel needs many years back that ended up striking a friendship with a sincere genuine good person I was in disbelief when I heard the news, your life was taken entirely too early you had so much left to do. I can see you have a great family that will never let your kids forget who you Were and what you stood for. I won't ever forget you man. Raise hell up there and watch and protect all of us down here I'm tired of seeing my friends go too soon. Until I see you again R.I.P you'll be missed by all.
