“ Sincere condolences to the family of Steve. Know that you are in my thoughts and prayers. I had the pleasure of knowing and working with Steve Land on projects he had with INDOT. He was always a kind, considerate, and jolly person to be around...that is how I will remember him always. He was easy to work with...he will be missed and left a footprint as a friend I was glad to have known. It is never easy losing a loved one but find solace in the memories of your family times together always over the years....
