“ *I worked with Steve at ICC, we were euchre partners at lunch and whenever we would work overtime he would take the last 30 minutes or so and have Bible school for any of us who wanted to ask questions. I will always remember him.*

“ Growing up, Steve and Debbie always made sure we were welcomed to do anything when we lived on Harrison Street next door to them. Never did I see him without a smile and I always remember him with his motorcycle. They were more than family, the kids too! I'll miss him and always seeing him out at Kroger. Over the years I saw him out and he never forgot who I was. He had a heart of gold just as Debbie and their children do and he will forever live within me, my family and anyone who knew him. I send my condolences to all the family, and pray God keeps his precious hands on you all for strength and peace during this difficult time. I love you all!
