*Dear Teresa (and Kent), we are so glad we got the chance to make memories with you before our move-I am blessed to have gotten to you know even more through our many phone conversations before and after that! Our laughs, support for each other were many and cherished! We were so excited to open our home to you both for a relaxing visit, but we will focus on the memories we were able to make. Oh how you made me and your brother laugh, hoping we made your life a little brighter as well! We will miss you. Lisa and Toby*
